WORK EXPERIENCE

NS MEDIA SOLUTIONS

Wordpress Intern

Vasai, MH

Jun 2023 – Aug 2023

- Contributed to a WordPress internship by building a functional online bookstore website with reading and purchasing capabilities.
- Implemented user account creation and login functionalities for personalized book access and purchase history.
- Customized WordPress themes and plugins to enhance the website's visual presentation and user experience.

UNIVERSITY PROJECTS

STYLEFORGE AI

Dec 2024 - Jan 2025

- Developed C#.NET backend with API creation, Microsoft SQL Server database design, and AWS cloud integration.
- Architected and maintained high-performance backend infrastructure for efficient data flow and smooth user experience.
- Integrated frontend and backend functionalities using C#.NET and SQL Server to connect user interface and server-side logic.

PORTFOLIO WEBSITE

July 2024 - Aug 2024

- Developed a dynamic portfolio website using Next.js with server-side rendering and JavaScript for backend logic.
- Designed and implemented a visually appealing, user-friendly interface with Tailwind CSS for efficient styling.
- Successfully deployed the portfolio website to GitHub Pages for easy accessibility and maintainability.
